"AT HOME" IN A BIG HOTEL

To give guests of a metropolitan hotel comfortable feeling of being "at home" is remarkable in these days of mere exter and good food. The managers of the prince George add the kind of entertainment the an inherent "atmosphere" of homelikeness. medieval Prince George embodiment of ou stands for rude massive power. The securi walls has been transferred down the long this modern instance — albeit the Prince G more sumptuously furnished, and affords bet from existing dangers, by its steel, fireproo It is superior, too, in the superiority of twentie methods and service. Here stands a Re within a stone's throw of New York's Broadw stations and the best theatres. A glance at views of some of the six hundred rooms, se centuate the reasonableness of the charg Correspondence is cordially invited ◆◆
